AVerVision*310AF*

Expand Your Vision

**All-New Revolutionary
A+ Interactive Software 2 Included!**

AVerVision 310AF

Where Functionality Meets Quality

AVerVision310AF's sturdy mechanical arm provides stable support for the visualizer to capture vivid images that cater to all your needs. Its exceptional output resolution features brilliant, high-quality images, and you can examine still or live objects in great detail with the high power total zoom. Blend creativity into your visuals and instructional materials by pooling resources from the Internet and computer files with the all-new A+ Interactive Software 2 and other added-on features!

3.2M Sensor

Vivid Images

3.2-Megapixel camera sensor captures vivid images of documents, 3D objects, and live movements.

16X

Zoom In All You Can!

Swiftly magnify minute details up to 16X.

Auto Image

Instantly clear up your image with one-touch Auto Image.

3M *pixel*

Up to 80 images

Snap, Save, Share

Save up to 80 3-megapixel quality pictures in the built-in memory for later sharing.

Be in the
Spotlight

Laser Positioning Guide

Accurately demarcate where you can place the object under the camera using this patented technology.

VGA

720p

High Definition Output

Give the most colorful and clear presentations with HD720p output resolution.

A+ Interactive Software 2

· Master all of the software's great features in a snap thanks to its user-friendly interface

· Mix and Match content from a Visualizer, a computer, the Internet and user-created material to provide a rich learning experience

· Annotate, draw, mark or type text over live images from an AVerVision Visualizer using a variety of helpful teaching tools

· Never be at a loss for teaching materials with the extensive Resource Library

With a visualizer, you can display...
