## ViewSonic LS920WU

## Key Features

- 6,000 ANSI Lumens to deliver bright images up to 300" in size
- 2nd generation Laser
  Phosphor technology
  with a 20,000-hour
  lifespan
- Wide H/V lens shift and 1.6x optical zoom for flexible installation
- Creativity supported by 360° projection & portrait mode
- Dual HDMI 2.0b supporting 4K HDR/HLG content

## Product **Description**

The LS920WU is an advanced 6,000 ANSI Lumens WUXGA installation projector. Adopting 2nd generation Laser Phosphor technology, the LS920WU offers high and consistent brightness with a lifespan of 20,000 hours and a screen size of up to 300". Wide lens shift, 1.6x optical zoom, 360° projection, and portrait mode combine for incredible flexibility that gives life to captivating creative installations, especially ideal for auditoriums, board rooms, commercial displays, restaurants, and sports bars. Dual HDMI 2.0b / HDCP 2.2 ports ensure access to original 4K quality content with HDR/HLG support. Add to that the compact size and the built-in HDBaseT for the perfect mix of high-quality projection and cost-effectiveness.
